

**NOW IT'S FINALLY STARTING !!!!!**

**THE BIKERMEETING WILL TAKE PLACE 3.6. - 6.6.2022**

Dear Tabler\*innen, dear Ladies, dear Tangent's,

after **3** years of preparation and 2 years of pandemic, we can and may finally hold the Bikermeeting in Bielefeld.

However, we would like to keep some precautions and ask you to prove your vaccination status at the check in. Also at the check in we will do a quick test.

On Saturday evening you can look forward to a party, because our OT 317 Bielefeld will be 25 years young then. If the weather is nice we have reserved the hotel's own beachaerea and the DJ will provide a relaxed and happy atmosphere above the roofs of Bielefeld.

The tours are fixed and under the motto "Hermann the German". Past the monument of the Germanic prince Hermann, over the battlefield of the Varus Battle through the beautiful Teutoburg Forest, the Wiehengebirge, the Osnabrücker Land and partly through the Münsterland.

Both the flower pickers and the ambitious drivers will get their money's worth.

We will send you the GPS tour data, travel documents, address, contact person etc. after Easter.

**FOR ALL THOSE WHO HAVE NOT YET REGISTERED, NOW IS THE TIME. REGISTER AS SOON AS POSSIBLE.**
